CREATE A TEAM

- Visit planepull.com and click on "Register"
- On the new pages it takes you to, click "Register" again
- Click "Create a team."
- Login if you already have an account from last year or create a new account if you are new to the event
- Follow the prompts and in seconds you will have your team page created.
- Next, you'll need to create your individual page so you can "join" your team. Go to your team page and click "join team." It's that easy!
- Share your team page with your team members so they can join your team.
- **IMPORTANT:** All participants need to create an individual page if they plan on pulling, even the team captain. It's part of the waiver process.
